## WHEN DO YOU NOTIFY UNUM OF A CLAIM?

We encourage you to notify us of your claim as soon as possible so that a claim decision can be made in a timely manner. Notice of claim should be sent within 30 days after the date your disability begins. In addition, you must send Unum proof of your claim no later than one year after the date your disability begins unless your failure to do so is due to your lack of legal capacity. In no event can proof of your claim be submitted after the expiration of the time limit for commencing a legal proceeding as stated in the policy, even if your failure to provide proof of claim is due to a lack of legal capacity or if state law provides an exception to the one year time period.

You must notify us immediately when you return to work in any capacity.

## HOW DO YOU FILE PROOF OF CLAIM?

You and your Employer must fill out your own sections of the claim form and then give it to your attending physician. Your physician should fill out his or her section of the form and send it directly to Unum.

The form to use to submit your proof of claim is available from your Employer, or you can request the form from us. If you do not receive the form from Unum or your Employer within 15 days of your request, send Unum proof of claim without waiting for the form.

## WHAT INFORMATION IS NEEDED AS PROOF OF YOUR CLAIM?

Proof of your claim, provided at your expense, must show:

- the date your disability began;
- the existence and cause of your sickness or injury;
- that your sickness or injury causes you to have limitations on your functioning and restrictions on your activities preventing you from performing the material and substantial duties of your regular occupation or of any other gainful occupation for which you are reasonably fitted by education, training, or experience;
- that you are under the \_\_\_\_\_ of a \_\_\_\_\_ ;
- the name and address of any \_\_\_\_\_ where you received treatment, including all attending physicians; and
- the appropriate documentation of your monthly earnings, any disability earnings, and any deductible sources of income.

In some cases, you will be required to give Unum authorization to obtain additional medical information and to provide non-medical information as part of your proof of claim, or proof of continuing disability. We may also require that you send us appropriate financial records, which may include income tax returns, which we believe are necessary to substantiate your income. We may request that you send periodic proof of your claim. This proof, provided at your expense, must be received within 45 days of a request by us. Unum will deny your claim, or stop sending you payments, if the appropriate information is not submitted.

We may require you to be examined by a physician, other medical practitioner and/or vocational expert of our choice. Unum will pay for this examination. We can require an examination as often as it is reasonable to do so. We may also require you to meet with and be interviewed by an authorized Unum Representative. Unum will deny your claim, or stop sending you payments, if you fail to comply with our requests.

#### TO WHOM WILL UNUM MAKE PAYMENTS?

Unum will make payments to you.

#### WHAT HAPPENS IF UNUM OVERPAYS YOUR CLAIM?

Unum has the right to recover any overpayments due to:

- fraud;
- any error Unum makes in processing a claim;
- disability earnings; or
- deductible sources of income.

You must reimburse us in full. We will determine the method by which the repayment is to be made which may include reducing or withholding future payments including the minimum monthly payment.

Unum will not recover more money than the amount we paid you.

Any unpaid premium due for your coverage under this policy may be recovered by us by offsetting against amounts otherwise payable to you under this policy, or by other legally permitted means.

Premium increases or decreases which take effect during a policy month are adjusted and due on the next premium due date following the change. Changes will not be pro-rated daily.

If premiums are paid on other than a monthly basis, premiums for increases and decreases will result in a monthly pro-rated adjustment on the next premium due date.

Unum will only adjust premium for the current policy year and the prior policy year. In the case of fraud, premium adjustments will be made for all policy years.

Clerical error or omission by Unum will not:

- prevent an employee from receiving coverage;
- affect the amount of an insured's coverage; or
- cause an employee's coverage to begin or continue when the coverage would not

WHAT HAPPENS TO AN EMPLOYEE'S COVERAGE UNDER THIS POLICY WHILE HE OR SHE IS ON A FAMILY AND MEDICAL LEAVE OF ABSENCE?

**DOES THE POLICY REPLACE OR AFFECT ANY WORKERS' COMPENSATION OR STATE DISABILITY INSURANCE?**

The policy does not replace or affect the requirements for coverage by any workers' compensation or state disability insurance.

**DOES YOUR EMPLOYER ACT AS YOUR AGENT OR UNUM'S AGENT?**

For purposes of the policy, your Employer acts on its own behalf or as your agent. Under no circumstances will your Employer be deemed the agent of Unum.

## HOW DOES UNUM DEFINE DISABILITY?

You are disabled when Unum determines that:

- you are \_\_\_\_\_ from performing the \_\_\_\_\_ of your \_\_\_\_\_ due to your \_\_\_\_\_ or \_\_\_\_\_ ; and
- you have a 20% or more loss in your \_\_\_\_\_ due to the same sickness or injury.

After 24 months of payments, you are disabled when Unum determines that due to the same sickness or injury, you are unable to perform the duties of any \_\_\_\_\_ for which you are reasonably fitted by education, training or experience.

You must be under the regular care of a physician in order to be considered disabled.

The loss of a professional or occupational license or certification does not, in itself, constitute disability.

## HOW LONG MUST YOU BE DISABLED BEFORE YOU ARE ELIGIBLE TO RECEIVE BENEFITS?

You must be continuously disabled through your \_\_\_\_\_. Unum will treat your disability as continuous if your disability stops for 30 days or less during the elimination period. The days that you are not disabled will not count toward your elimination period.

Your elimination period is 180 days.

You are not required to have a 20% or more loss in your indexed monthly earnings due to the same injury or sickness to be considered disabled during the elimination period.

## CAN YOU SATISFY YOUR ELIMINATION PERIOD IF YOU ARE WORKING?

Yes. If you are working while you are disabled, the days you are disabled will count toward your elimination period.

## WHEN WILL YOU BEGIN TO RECEIVE PAYMENTS?

You will begin to receive payments when we approve your claim, providing the elimination period has been met and you are disabled. We will send you a payment monthly for any period for which Unum is liable.

## HOW MUCH WILL UNUM PAY YOU IF YOU ARE DISABLED?

We will follow this process to figure your payment:

1. Multiply your monthly earnings by 60%.
2. The maximum \_\_\_\_\_ is \$7,500.

3. Compare the answer from Item 1 with the maximum monthly benefit. The lesser of these two amounts is your .
4. Subtract from your gross disability payment any .

The amount figured in Item 4 is your .

If the answer from Item 1 is less than or equal to 100% of your indexed monthly earnings, Unum will not further reduce your monthly payment.

If the answer from Item 1 is more than 100% of your indexed monthly earnings, Unum will subtract the amount over 100% from your monthly payment.

After 12 months of payments, while working, you will receive payments based on the percentage of income you are losing due to your disability.

1. Subtract your disability earnings from your indexed monthly earnings.
2. Divide the answer in Item 1 by your indexed monthly earnings. This is your percentage of lost earnings.
3. Multiply your monthly payment by the answer in Item 2.

This is the amount Unum will pay you each month.

As part of your proof of disability earnings, we can require that you send us appropriate financial records, which may include income tax returns, which we believe are necessary to substantiate your income.

After the elimination period, if you are disabled for less than 1 month, we will send you 1/30 of your payment for each day of disability.

#### HOW DO WE PROTECT YOU IF YOUR DISABILITY EARNINGS FLUCTUATE?

If your disability earnings have fluctuated from month to month, Unum may determine your benefit eligibility based on the average of your disability earnings over the most recent 3 months.

#### WHAT ARE DEDUCTIBLE SOURCES OF INCOME?

Unum will subtract from your gross disability payment the following deductible sources of income:

1. The amount that you receive or are entitled to receive under:
  - a workers' compensation law.
  - an occupational disease law.
  - any other or with similar intent.
2. The amount that you receive or are entitled to receive as disability income or disability retirement payments under any:
  - state compulsory benefit or .
  - automobile liability insurance policy.
  - group plan sponsored by your Employer.
  - other group insurance plan.
  - .
3. The amount that you, your spouse and your children receive or are entitled to receive as disability payments because of your disability under:
  - the United States Social Security Act.
  - the Canada Pension .

- the Quebec Pension Plan.
  - any similar plan or act.
4. The amount that you receive as retirement payments or the amount your spouse and children receive as retirement payments because you are receiving retirement payments under:
- the United States Social Security Act.
  - the Canada Pension Plan.
  - the Quebec Pension Plan.
  - any similar plan or act.
5. The amount that you receive as retirement payments under any governmental retirement system. Retirement payments do not include payments made at the later of age 62 or normal retirement age under your Employer's retirement plan which are attributable to contributions you made on a post tax basis to the system.

Regardless of how retirement payments are distributed, Unum will consider payments attributable to your post tax contributions to be distributed throughout your lifetime.

Amounts received do not include amounts rolled over or transferred to any eligible retirement plan. Unum will use the definition of eligible retirement plan as defined in Section 402 of the Internal Revenue Code including any future amendments which affect the definition.

6. The amount that you:

- receive as disability payments under your Employer's
- voluntarily elect to receive as retirement payments under your Employer's retirement plan.
- receive as retirement payments when you reach the later of age 62 or normal retirement age, as defined in your Employer's retirement plan.

Disability payments under a retirement plan will be those benefits which are paid due to disability and do not reduce the retirement benefit which would have been paid if the disability had not occurred.

Retirement payments will be those benefits which are based on your Employer's contribution to the retirement plan. Disability benefits which reduce the retirement benefit under the plan will also be considered as a retirement benefit.

Regardless of how the retirement funds from the retirement plan are distributed, Unum will consider your and your Employer's contributions to be distributed simultaneously throughout your lifetime.

Amounts received do not include amounts rolled over or transferred to any eligible retirement plan. Unum will use the definition of eligible retirement plan as defined in Section 402 of the Internal Revenue Code including any future amendments which affect the definition.

7. The amount that you receive under Title 46, United States Code Section 688

## WHAT IF UNUM DETERMINES YOU MAY QUALIFY FOR DEDUCTIBLE INCOME BENEFITS?

When we determine that you may qualify for benefits under Item(s) 1, 2 and 3 in the deductible sources of income section, we will estimate your entitlement to these benefits. We can reduce your payment by the estimated amounts if such benefits:

- have not been awarded; and
- have not been denied; or
- have been denied and the denial is being appealed.

Your Long Term Disability payment will NOT be reduced by the estimated amount if you:

- apply for the disability payments under Item(s) 1, 2 and 3 in the deductible sources of income section and appeal your denial to all administrative levels Unum feels are necessary; and
- sign Unum's payment option form. This form states that you promise to pay us any overpayment caused by an award.

If your payment has been reduced by an estimated amount, your payment will be adjusted when we receive proof:

- of the amount awarded; or
- that benefits have been denied and all appeals Unum feels are necessary have been completed. In this case, a lump sum refund of the estimated amount will be made to you.

If you receive a lump sum payment from any deductible sources of income, the lump sum will be pro-rated on a monthly basis over the time period for which the sum was given. If no time period is stated, we will use a reasonable one.

## HOW LONG WILL UNUM CONTINUE TO SEND YOU PAYMENTS?

Unum will send you a payment each month up to the  
Your maximum period of payment is based on your age at disability as follows:

Age 61	48 months
Age 62	42 months

Age 64	30 months
Age 65	24 months
Age 66	21 months
Age 67	18 months
Age 68	15 months
Age 69 and over	12 months

## WHEN WILL PAYMENTS STOP?

We will stop sending you payments and your claim will end on the earliest of the following:

- during the first 24 months of payments, when you are able to work in your regular occupation on a \_\_\_\_\_ and you do not;
- after 24 months of payments, when you are able to work in any gainful occupation on a part-time basis and you do not;
- if you are working and your monthly disability earnings exceed 80% of your indexed monthly earnings, the date your earnings exceed 80%;
- the end of the maximum period of payment;
- the date you are no longer disabled under the terms of the plan, unless you are eligible to receive benefits under Unum's Rehabilitation and Return to Work Assistance program;
- the date you fail to submit proof of continuing disability;
- after 12 months of payments if you are considered to reside outside the United States or Canada. You will be considered to reside outside these countries when you have been outside the United States or Canada for a total period of 6 months or more during any 12 consecutive months of benefits;
- the date you die.

## WHAT DISABILITIES HAVE A LIMITED PAY PERIOD UNDER YOUR PLAN?

The lifetime cumulative maximum benefit period for all disabilities due to \_\_\_\_\_ and disabilities based primarily on \_\_\_\_\_ is 24 months. Only 24 months of benefits will be paid for any combination of such disabilities even if the disabilities:

- are not continuous; and/or
- are not related.

However, Unum will send you payments beyond the 24 month period if you meet one of these conditions:

1. If you are confined to a \_\_\_\_\_ at the end of the 24 month period, Unum will continue to send you payments during your confinement.

If you are still disabled when you are discharged, Unum will send you payments for a recovery period of up to 90 days.

If you become reconfined at any time during the recovery period and remain confined for at least 14 days in a row, Unum will send payments during that additional confinement and for one additional recovery period up to 90 more days.

2. If you are not confined to a hospital or institution but become confined for a period of at least 14 days within 90 days after the 24 month period for which you have received payments, Unum will send payments during the length of the confinement.

Under no circumstances will Unum pay beyond the maximum period of payment as

If you become entitled to payments under any other group long term disability plan, you will not be eligible for payments under the Unum plan.

WHAT IF YOU ARE NOT IN ACTIVE EMPLOYMENT WHEN YOUR EMPLOYER CHANGES INSURANCE CARRIERS TO UNUM? (Continuity of Coverage)

When the plan becomes effective, Unum will provide coverage for you if:

- you are not in active employment because of a sickness or injury; and
- you were covered by the prior policy.

Your coverage is subject to payment of premium.

Your payment will be limited to the amount that would have been paid by the prior carrier. Unum will reduce your payment by any amount for which your prior carrier is liable.

WHAT IF YOU HAVE A DISABILITY DUE TO A PRE-EXISTING CONDITION WHEN YOUR EMPLOYER CHANGES INSURANCE CARRIERS TO UNUM? (Continuity of Coverage)

Unum may send a payment if your disability results from a pre-existing condition if, you were:

- in active employment and insured under the plan on its effective date; and
- insured by the prior policy at the time of change.

In order to receive a payment you must satisfy the pre-existing condition provision under:

1. the Unum plan; or
2. the prior carrier's plan, if benefits would have been paid had that policy remained in force.

If you do not satisfy Item 1 or 2 above, Unum will not make any payments.

If you satisfy Item 1, we will determine your payments according to the Unum plan provisions.

If you only satisfy Item 2, we will administer your claim according to the Unum plan provisions. However, your payment will be the lesser of:

- a. the monthly benefit that would have been payable under the terms of the prior plan if it had remained in force; or
- b. the monthly payment under the Unum plan.

Your benefits will end on the earlier of the following dates:

1. the end of the maximum benefit period under the plan; or
2. the date benefits would have ended under the prior plan if it had remained in force.

## HOW CAN UNUM'S REHABILITATION AND RETURN TO WORK ASSISTANCE PROGRAM HELP YOU RETURN TO WORK?

Unum has a vocational Rehabilitation and Return to Work Assistance program available to assist you in returning to work. We will determine whether you are eligible for this program. In order to be eligible for rehabilitation services and benefits, you must be medically able to engage in a return to work program.

Your claim file will be reviewed by one of Unum's rehabilitation professionals to determine if a rehabilitation program might help you return to gainful employment. As your file is reviewed, medical and vocational information will be analyzed to determine an appropriate return to work program.

We will make the final determination of your eligibility for participation in the program.

We will provide you with a written Rehabilitation and Return to Work Assistance plan developed specifically for you.

Dear Policyholder:

You should be aware that Nevada has some rules regarding an employer's responsibility to give notice to his employees when their group insurance is being terminated because of his inability to pay a premium when due or because of his intention to stop paying premiums.

The notice must be conspicuously posted at the place of employment or given in another manner which ensures that all employees will receive the information. The notice must be given at least 60 days before coverage will cease.

An employer is liable to an employee for any money deducted from the employee's wages for the payment of premiums on a policy of group insurance if the money was not so used.

These services are also available from us as part of your Unum Long Term Disability plan.

#### IS THERE A WORK LIFE ASSISTANCE PROGRAM AVAILABLE WITH THE PLAN?

This service is also available to your Employer.

This program can be accessed by a 1-800 telephone number available 24 hours a day, 7 days a week or online through a website.

Information about this program can be obtained through your plan administrator.

If the policy provides benefits under a Plan which is subject to the Employee Retirement Income Security Act of 1974 (ERISA), the following provisions apply. Whether a Plan is governed by ERISA is determined by a court, however, your Employer may have information related to ERISA applicability. If ERISA applies, the following items constitute the Plan: the additional information contained in this document, the policy, including your certificate of coverage, and any additional summary plan description information provided by the Plan Administrator. Benefit determinations are controlled exclusively by the policy, your certificate of coverage, and the information in this document.

If you wish to file a claim for benefits, you should follow the claim procedures described in your insurance certificate. To complete your claim filing, Unum must receive the claim information it requests from you (or your authorized representative), your attending physician and your Employer. If you or your authorized representative has any questions about what to do, you or your authorized representative should contact Unum directly.

Unum will give you notice of the decision no later than 45 days after the claim is filed. This time period may be extended twice by 30 days if Unum both determines that such an extension is necessary due to matters beyond the control of the Plan and notifies you of the circumstances requiring the extension of time and the date by which Unum expects to render a decision. If such an extension is necessary due to your failure to submit the information necessary to decide the claim, the notice of extension will specifically describe the required information, and you will be afforded at least 45 days within which to provide the specified information. If you deliver the requested information within the time specified, any 30 day extension period will begin after you have provided that information. If you fail to deliver the requested information within the time specified, Unum may decide your claim without that information.

If your claim for benefits is wholly or partially denied, the notice of adverse benefit determination under the Plan will:

- state the specific reason(s) for the determination;
- reference specific Plan provision(s) on which the determination is based;
- describe additional material or information necessary to complete the claim and why such information is necessary;
- describe Plan procedures and time limits for appealing the determination, and your right to obtain information about those procedures and the right to bring a lawsuit under Section 502(a) of ERISA following an adverse determination from Unum on appeal; and

- disclose any internal rule, guidelines, protocol or similar criterion relied on in making the adverse determination (or state that such information will be provided free of charge upon request).

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

You have 180 days from the receipt of notice of an adverse benefit determination to file an appeal. Requests for appeals should be sent to the address specified in the claim denial. A decision on review will be made not later than 45 days following

- a statement describing your right to bring a lawsuit under Section 502(a) of ERISA if you disagree with the decision;
- the statement that you are entitled to receive upon request, and without charge, reasonable access to or copies of all documents, records or other information relevant to the determination; and
- the statement that "You or your Plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor Office and your State insurance regulatory agency".

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

Unless there are special circumstances, this administrative appeal process must be completed before you begin any legal action regarding your claim.

Unum, for itself and as claims fiduciary for the Plan, is entitled to legal and equitable relief to enforce its right to recover any benefit overpayments caused by your receipt of disability earnings or deductible sources of income from a third party. This right of recovery is enforceable even if the amount you receive from the third party is less than the actual loss suffered by you but will not exceed the benefits paid you under the policy. Unum and the Plan have an equitable lien over such sources of income until any benefit overpayments have been recovered in full.

The regulations governing ERISA disability claims and appeals have been amended. The amended regulations apply to disability claims filed on or after April 1, 2018. To the extent the Additional Summary Plan Description Information included with your certificate of coverage or policy conflicts with these new requirements, these new rights and procedures will apply.

These new rights and procedures include:

Any cancellation or discontinuance of your disability coverage that has a retroactive effect will be treated as an adverse benefit determination, except in the case of failure to timely pay required premiums or contributions toward the cost of coverage.

If you live in a county with a significant population of non-English speaking persons, the plan will provide, in the non-English language(s), a statement of how to access oral and written language services in those languages.

For any adverse benefit determination, you will be provided with an explanation of the basis for disagreeing or not following the views of: (1) health care professionals who have treated you or vocational professionals who have evaluated you; (2) the advice of medical or vocational professionals obtained on behalf of the plan; and (3) any disability determination made by the Social Security Administration regarding you and presented to the plan by you.

For any adverse benefit determination, you will be given either the specific internal rules, guidelines, protocols, standards or other similar criteria of the plan relied upon in making that decision, or a statement that such rules, etc. do not exist.

Prior to a final decision being made on an appeal, you will have the opportunity to review and respond to any new or additional rationale or evidence considered, relied upon, or generated by the plan in connection with your claim.

If an adverse benefit determination is upheld on appeal, you will be given notice of

MK-1883 (06-2020)

Residents of Nevada who purchase life insurance, annuities, health insurance or Health Maintenance Organization (HMO) insurance should know that the insurance companies licensed in the State to write these types of insurance are members of the Nevada Life and Health Insurance Guaranty Association (Association). The purpose of the Association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Association assesses its other member insurance companies for the money to pay the claims of the insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Association is not unlimited, however, and, as noted in the written information below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

Coverage is NOT provided for a policy or any portion of it that is not guaranteed by the Insurer or for which the policyholder has assumed the risk, such as a variable contract sold by prospectus.

Insurance companies are required by law to deliver this notice to you.

The State law that provides for this safety-net coverage is called the Nevada Life and Health Insurance Guaranty Association. Below is a brief summary of this law's current coverages, exclusions and limits. The summary does not cover all provisions of the law, nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the Association.
